DECISION¹

On September 2, 2016, Aliyah Anderson (“Petitioner”) filed a petition for compensation pursuant to the National Vaccine Injury Compensation Program.² 42 U.S.C. §§ 300aa-10 to -34 (2012); Pet. at 1, ECF No. 1. Petitioner alleged that the Tdap vaccine she received on September 17, 2013, caused her to suffer nerve damage to the ulnar nerve in her left arm. *See* Stip. at 1, ECF No. 73; Pet. at 1. Petitioner further alleged that she experienced the residual effects of her injury for more than six months. Stip. at 1.

On January 23, 2020, the parties filed a stipulation in which they state that a decision should be entered awarding compensation to Petitioner. *Id.* at 2. Respondent “denies that [P]etitioner suffered nerve damage to the ulnar nerve in her left arm and denies that any vaccine caused [P]etitioner’s alleged ulnar nerve injury or any other injury or her current condition.” *Id.* at 2. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. I find the stipulation reasonable and adopt it as the decision of the Court in awarding damages, on the terms set forth therein.

¹ This decision shall be posted on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2012)). **This means the Decision will be available to anyone with access to the Internet.** As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b).

² National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755.

The parties stipulate that Petitioner shall receive the following compensation:

- **A lump sum of \$15,000.00 in the form of a check payable to [P]etitioner;**
- **A lump sum payment of \$650.74, representing compensation for satisfaction of the State of Arkansas Medicaid lien, payable jointly to [P]etitioner, and**

**Arkansas Department of Human Services
Division of Medical Services
P.O. Box 1437, Slot S-532
Little rock, AR 72203-1437**

Petitioner agrees to endorse this payment to the State of Arkansas. This lump sum represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Arkansas had made to or on behalf of Aliyah Anderson from the date of her eligibility for benefits through the date of judgment in this case as a result of her alleged vaccine-related injury suffered on or about September 17, 2013, under title XIX of the Social Security Act.

This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

Id. at 2–3.

I approve the requested amount for Petitioner’s compensation. Accordingly, an award should be made consistent with the stipulation.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties’ stipulation.³

IT IS SO ORDERED.
